DETAILED ACTION

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the claimed combination including the limitations directed to the specifics of a valve timing control device comprising an elastic member disposed between a vane and a rotation member or a rotation transmitting member, wherein the radial length between the bottom portion of a vane groove and a bottom portion side end portion of a contacting portion is larger than a radial length between the bottom portion of the vane groove and an engaging portion of vane engaged with the elastic member, is not disclosed or rendered obvious the art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
